Dear Students, Parents, Friends, and Family,

Below you will find a schedule of events for ISO's December 16th performance. The performance times are exact within minutes. It is encourage that all students stay after their dress rehearsal at Symphony Space. **Please do not leave the venue after your dress rehearsal!**

Students should arrive 30 minutes before their scheduled dress rehearsal.

Please be aware that this is a Sunday and the MTA is not the most reliable.

We understand that this may be a long day for those students in Morningside and understand the need to leave after the performance however; we do wish that you stay and support your fellow musicians during their performances.

Parents that have volunteered to assist on this day should **arrive at 1:45pm** and meet with Matt Hart (Production Manager). Your help at this event is crucial and we appreciate it immensely.

The **dress rehearsals will be a closed dress** for all friends and family as we wish to show you our hard work during the performance!

Please remember all of the items necessary to have a successful performance! Such as, but not limited to, music, a pencil, proper performance attire, a clear and focused mind, and most importantly, **YOUR INSTRUMENT!**

Ticket Information

Tickets are \$25 and can be purchased at the box office upon arrival.

There are no discounts however anyone under 18 is free!
